Re: State vs. William Clifton, Case No: 2023CF00562CFAWS

Dear Judge Handsel,

I am writing concerning my case, 2023CF00562CFAWS and respectfully request your consideration on a matter that I believe is crucial for supporting my defense.

The dash camera video evidence submitted is not the video evidence I requested be submitted for my defense. The submitted dash camera evidence has been edited.

The edits to the dash camera video evidence give an adverse advantage to the State Witnesses. I have requested a motion be filed for a Evidentiary Hearing to address this erroneous evidence matter.

I respect your role in ensuring justice. Thank you for your time and attention to this letter.

Sincerely,

William A. Clifton
